RENEWAL: This plan can be kept beyond your connection with UConn. The renewal of this plan is set up to take place automatically; MWG will send out written notice of the intent to post the charge for the renewal premium to your payment source provided at the time of original enrollment within 30-45 days before the renewal date. As long as that payment source is valid and you do not indicate that you do not want to continue the coverage, your coverage would be renewed effective August 15th for the following full year
